

Foul Water services - Construction

- Foul water sewers shall be constructed in accordance with the following documents:
- Irish Water Code of Practice for Wastewater Infrastructure (a design and construction guide for developers)
 - Irish Water Connection and Developer services - Wastewater Infrastructure Standard Details

Copyright of this drawing is reserved by JODA Engineering Consultants. This drawing is issued on condition that it is not copied or disclosed by, or to, any person or persons without prior consent in writing from JODA Engineering Consultants. The user of this drawing shall cross-check dimensions shown on this drawing with relevant dimensions shown on other drawings issued by JODA Engineering Consultants and by other design consultants relevant to the project prior to any fabrication or construction on site. All errors, omissions and discovered inconsistencies to be reported to the JODA Engineering Consultants immediately. Drawings show design intent only. Do not scale dimensions from the drawing as the resulting dimension may be incorrect. JODA Engineering Consultants accepts no responsibility for errors made as a result of scaling of any dimension from this drawing.
